

ACCOUNTING 130

Course Outline

Welcome to Accounting 130!

As you have learned in your previous Accounting courses, this discipline has structure built into its core. There is no doubt you have achieved success in Accounting to this point and will continue to do so. In this course we will look at:

- 1) Review of Accounting 110 - 120.
- 2) Voucher System and End of Year Adjustments.
- 3) Departmentalized Accounting.
- 4) Partnership and Corporate Accounting.
- 5) Cost Accounting.
- 6) Computerized Accounting (Optional)

This course is designed to prepare you for an entry level Accounting position and/or further training in this field. This is a very important concern as you may possibly prepare yourself for a career in this area.

The following are the learning objectives for the course:

- 1) To aid you in recognizing the importance of maintaining adequate records in all types of businesses.
- 2) To give you basic training in the accounting procedures applicable to single proprietorship, partnerships, and corporations.
- 3) To help you build a foundation for post-secondary education and/or professional accounting.
- 4) To help you develop an understanding and use of financial records.

The following is a mark break down:

- | | |
|-------------------------|-----|
| 1) Projects/Assignments | 20% |
| 2) Module Exams | 50% |
| 3) Final Exam | 30% |

Best wishes and much success.
