****Please note: FR0120 and FR0130 together are equivalent to the French 10, 20, and 30 programs in high school. The course moves at a rapid pace because it covers approximately the same content contained in the three-course high school program. Nevertheless, FR0120 is a beginner’s course and no prior knowledge of French is required or expected.**

PREREQUISITE(S)/COREQUISITE: NONE

**** Please note: Students who already have French 30 ought to register in FR2110/FR2120 and those with FLA 30 ought to register in FR 2210/FR2240.**

- 2. Recommended: a good French/English dictionary or online dictionary: WordReference.com

DELIVERY MODE(S):

The delivery mode will consist of lectures explaining grammatical concepts, vocabulary, and cultural elements as well as group and individual oral, written, and reading exercises reinforcing these concepts. In preparation for exams, most of our in-class time will focus on the essential *Contextes, Structures, Vocabulaire,* and *Expressions utiles* of *Promenades (Chapters 1-5)*. As time permits, students will also be introduced to the *Roman-photo, Lecture culturelle, Synthèse, Écriture* and *Savoir-Faire* sections, work on practice quizzes, and become capable of working independently both inside and outside of class. In addition, a combined **Workbook/Lab manual** with online reference is to be completed by students and provides opportunity for repetition and self-correction. The course moves at a **rapid pace** as it covers approximately the same content contained in the three-course high school program.

COURSE OBJECTIVES:

In FR0120, the primary objective is to develop skills in all four language areas - listening, speaking, reading, and writing. Upon successful course completion, students will have knowledge and competency with reading, writing, speaking, and understanding. You will learn basic vocabulary, grammar, common expressions for conversation, and simple sentence structures, including how to ask questions and how to answer them - in the present and the future.

LEARNING OUTCOMES:

At the end of the semester, the student who completes this course will be able to:
