DELIVERY MODE(S):

The delivery mode will consist of lectures explaining grammatical concepts, vocabulary, and cultural elements as well as group and individual oral, written, and reading exercises reinforcing these concepts. In preparation for exams, most of our in-class time will focus on the essential *Contextes, Structures, Vocabulaire, and Expressions utiles* of *Promenades Chapters 6-10*. Students will be introduced to the *Roman-photo, Lecture culturelle, Synthèse, Écriture* and *Savoir-Faire* sections, work on practice quizzes, and become capable of working independently

both inside and outside of class. In addition, a combined **Workbook/Lab manual** with online reference is to be completed by students and provides opportunity for repetition and self-correction. The course moves at a **rapid pace** as it covers approximately the same content in two courses compared to the three-course French 10, 20, and 30 high school program.

OBJECTIVES:

In FR 0130, the primary objective is to develop skills in all four language areas: listening, speaking, reading, and writing. Upon successful course completion, students will have knowledge, understanding, and competency in these four areas.
